

Doctor Babor Collagen HA Booster for Hydrafacial

Powerful plumping, hydration and lift.

This powerful plumping serum is made with two types of collagen to lift and smooth skin contours. It boosts hydration, firmness, and elasticity which helps reduce the appearance of wrinkles, loss of density, and sagging skin.

Skin Concern:

- Aging, dehydrated skin

Ingredients:

- **Collagen Peptide Complex:** improves skin elasticity and firmness for a smoother, lifted and more youthful-looking complexion
- **Marine Collagen:** maintain skin youthfulness, glow, elasticity
- **Hyaluronic Acid:** plumps up skin with vital hydration for a smoother, softer-looking complexion
