

Hydrafacial™

NOW FOR FULL-FACE TREATMENT

Hydrafacial DERMABUILDER™

This firming and line-reducing serum with Peptide Power Complex helps visibly soften and smooth facial lines and wrinkles for a firming effect for a more youthful appearance.

SMOOTH + RENEW

Before

After

Provided by: Remedy Skin Studio. Deluxe treatment with Red LED and Dermabuilder booster.

TARGETS:

- ✓ Expression Lines
- ✓ Sagging
- ✓ Wrinkles
- ✓ Loss of Definition

INGREDIENTS:

Peptide Power Complex, known for its anti-wrinkle, anti-aging and relaxing properties, helps visibly soften and smooth facial lines and wrinkles and includes:

Acetyl Octapeptide-3 helps to soften the appearance of expression lines

Palmitoyl Dipeptide-5 Diaminobutyroyl helps to rejuvenate the skin and reduce the appearance of fine lines & wrinkles

Palmitoyl Dipeptide-5 Diamionhydroxybutyrate

Hydroxythreonine improves the appearance of skin firmness and elasticity by supporting skin's natural collagen

BOOST RESULTS + REFERRALS

- Proprietary Hydrafacial Vortex Fusion Technology delivers powerful Booster formulas deeper into the skin than manual application.*
- Clients who receive a treatment with a Booster are more likely to recommend Hydrafacial.
